Warm Hawaiian sun. Lazy beach days. Flirty texts with her boyfriend back in Seattle.

These are the things seventeen-year-old Sloane McIntyre pictured when she imagined the summer sheâ€™d be spending at her momâ€™s home in Hawaii with her twin brother, Penn. Instead, after learning an unthinkable secret about her boyfriend, Tyler, and best friend, Mick, all she has is a fractured hand and a completely shattered heart.

Once she arrives in Honolulu, though, Sloane hopes that Hawaii might just be the escape she needs. With beach bonfires, old friends, exotic food, and the wonders of a waterproof cast, thereâ€™s no reason Sloane shouldnâ€™t enjoy her summer. And when she meets Finn McAllister, the handsome son of a hotel magnate who doesnâ€™t always play by the rules, she knows heâ€™s the perfect distraction from everything thatâ€™s so wrong back home.

But it turns out a measly ocean isnâ€™t nearly enough to stop all the emails, texts, and voicemails from her ex-boyfriend and ex-best friend, desperate to explain away their betrayal. And as her casual connection with Finn grows deeper, Sloaneâ€™s carefree summer might not be as easy to find as sheâ€™d hoped. Weighing years of history with Mick and Tyler against their deception, and the delicate possibility of new love, Sloane must decide when to forgive, and when to live for herself.
